

Parts & Accessories

NX has a full range of accessories for your nitrous system.

Switches & Electronics

- 15499 Pro wiring kit incl.. weather pack connectors, loom, wire ends to wire 2 sol. system
- 15504 Wide open throttle nitrous control switch w/H.D. 60 Amp relay
- 15505 Dominator throttle switch w/H.D. 60 Amp relay
- 15515 40 Amp anti-flyback heavy duty relay (w/ wire harness)
- 15526 40 Amp anti-flyback heavy duty relay (only)
- 15516 Wide open throttle switch only (no relay, bracket or hdwr)
- 15516-3 Wide open throttle switch only (3 Terminal)
- 15517 Universal wot switch bracket (only)
- 15518 Dominator wot switch bracket (only)
- 15704 Toggle W/Safety Guard
- 15705 Power Sports Toggle Switch
- 15706 Nitrous system activation push button
- 15707 Lighted (red) nitrous system arm switch
- 15708 Heavy duty fuel pressure safety switch (carb. Fuel pressure)
- 15718 Heavy duty fuel pressure safety switch w/manifold (efi fuel pressure)
- 15959 NX " Digital Maximizer2" next generation variable output power controller
- 15961 TPS Voltage Sensing Full Throttle Activation Switch (0-4.5 volts)
- 15964 NX "Digi-Set" delay timer
- 18959 NX RPM Activated Window Switch
- 18959M NX RPM Switch for Single Coil Per Cylinder

Part # 15964
Digi-Set Delay Timer

Part # 18959
RPM Window Switch

FJOKWS0022 NX Mini Progressive Controller

Gauges & Gauge Adapters

- 15506 Nitrous flo-thru manifold (d-4)
- 15507 Nitrous flo-thru manifold (d-6)
- 15508 Nitrous pressure gauge only (0-1500 psi)
- 15509 Nitrous flo-thru pressure gauge (d-4 w/manifold)
- 15510 Nitrous flo-thru pressure gauge (d-6 w/manifold)
- 15511 Gasoline pressure gauge (0-15 psi w/adaptor)
- 15512 Gasoline pressure gauge (0-100 psi w/adaptor)
- 15513 D-4 manifold w/multiple ports for extra accessories
- 15523 D-6 manifold w/multiple ports for extra accessories
- 15519 Master flo-check (checks flowing fuel pressures, gauge incl.)
- 15529 Master flo-check pro (6" certified gauge & molded case)
- 15965 Molded carrying case for Master Flow Check
- 15530 6" Certified Fuel Pressure Gauge Only
- 15531 Remote Electronic Nitrous Pressure Gauge

Part # 15529
Master Flo-Check Pro

Part # 15509
N2O Gauge & Manifold

EFI Fuel Adapters

- 15235 Sport Compact Fuel "T"
- 15179 Ford EFI Fuel Rail Fitting(For Schrader Valve)
- 16183 Ford 4.6L Fuel Rail Adapter ('99-'04)
- 16183 Ford 4.6L Fuel Rail Adapter ('05 & Up)
- 16184 Late Model GM/Chrysler Fuel Line Adapter

Part # 16185
GM/Chrysler
Fuel Line Adapter

Solenoid Connectors & Brackets

- 15709 Universal solenoid mount (incl.. screws, specify solenoid)
- 15710 Hitman, Stage 6, & ProPower S.S. solenoid to plate connector (blue)
- 15711 Hitman, Stage 6, & ProPower S.S. solenoid to plate connector (red)
- 15712 Holley. "Gemini twin." Stage 6 & ProPower S.S. solenoid to plate connectors (blue)
- 15713 Holley. "Gemini twin." Stage 6 & ProPower S.S. solenoid to plate connectors (red)
- 15716 Dom. "Gemini twin" stage 6 & ProPower S.S. solenoid to plate connectors (blue)
- 15717 Dom. "Gemini twin" stage 6 & ProPower S.S. solenoid to plate connectors (red)

Part # 15908
CO2 Conversion

Nitrous Pumping Stations and Accessories

- 15850 1/4 Npt nitrous control valve (brass body w/stainless ball)
- 15904 Next generation nitrous pump only(6lbs. Per min. Run dry technology.
- 15905 Nitrous refill pump station (w/stand, lines, and pump) run dry technology.
- 15906 Next generation pump station (with digital scale, & 3 way valve, stand optional)
- 15907 Digital nitrous scale
- 15908 CO2 Conversion for Pump Station
- 15910 Bottle transfer kit (complete w/stand, control valve,& lines)
- 15930 Bottle stand only (gold zinc finish)

Part # 15930
Bottle Stand

Purge Valves and Accessories

- 15600 Nitrous purge valve (w/d-4 manifold, push button, and vent tube)
- 15601 Nitrous purge valve (w/d-6 manifold, push button, and vent tube)
- 15602 Plumbing kit for dual vent purge system
- 15603 Purge valve for the Lightning and Ice-Man solenoid (solenoid, push button, and ven
- 15604 Dual vent softline for purge kit
- 15605 Purge kit for PN GM 1pc MAF & Ford 3valve Plate Systems

Part # 15906
Pump Station w/ Scale

Nitrous Filters and Filter Fittings

- 15607 D-4 "Pure-Flo" N2O filter & 7" stainless hose (life time cleanable)
- 15608 1/4XD-4 nitrous filter fitting
- 15609 1/4 X d-6 nitrous filter fitting
- 15610 D-6 "Pure-Flo" N2O filter & 7" stainless hose (lifetime cleanable)

Fuel Additives (see pg 49)

- 16002 Chemical X Nitrous Formula
- 16003 Chemical X Race Formula
- 16004 Chemical X Forced Induction Formula
