

# Plumbing Kits

The part numbers listed below are for customers who only need the hardware to plumb an intake manifold. Each part number gives you the needed parts to completely install a direct port system including the jets. If the listed numbers do not suit your needs call the NX tech department for a custom kit. All part numbers can be installed in our shop by expert technicians, call for a price quote.

**13385** 8 cylinder four solenoid direct port system, includes Shark Nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13386** 8 cylinder four solenoid direct port system, includes Piranha Nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13383-STNX** 8 cylinder direct port system, includes SSV Nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13384** 8 cylinder direct port system, includes STD Nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13387** 8 cylinder direct port system, includes SX2 nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, Hex Rails , all fittings and lines to complete intake manifold, includes two sets of 300HP Jets.

**13388** 8 cylinder direct port system, includes NXL nozzles, 15300L nitrous solenoids, 15301L fuel solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13381** 8 cylinder direct port system, includes Dry 1/16 nozzles, 15300L nitrous solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13382** 8 cylinder direct port system, includes Dry 1/8 nozzles, 15300L nitrous solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13389** 8 cylinder direct port system, includes Shark or Piranha nozzles, no solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13390** 8 cylinder direct port system, includes SSV or STD nozzles, no solenoids, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 300HP jets

**13391** 6 cylinder direct port system, includes Shark or Piranha nozzles, 15300L nitrous solenoid, 15301L fuel solenoid, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 150HP jets

**13392** 6 cylinder direct port system, includes SSV or STD nozzles, 15300L nitrous solenoid, 15301L fuel solenoid, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 150HP jets

**13393** 4 cylinder direct port system, includes Shark or Piranha nozzles, 15200L nitrous solenoid, 15201L fuel solenoid, all stainless tubing, B-nuts , sleeves, distribution blocks, all fittings and lines to complete intake manifold, includes 75HP jets

**13395** Nozzle system completer kit, includes bottle, brackets, wire, hardware, (all items not included with plumbing kit)

**80080** 3/16 Stainless steel tubing kit to install an 8 cylinder direct port nitrous system

**80085** 3/16 Stainless steel tubing kit to install an 8 cylinder direct port nitrous system, includes red and blue B-nuts and sleeves

**80060** 3/16 Stainless steel tubing kit to install an 6 cylinder direct port nitrous system

**80065** 3/16 Stainless steel tubing kit to install an 6 cylinder direct port nitrous system, includes red and blue B-nuts and sleeves

**80040** 3/16 Stainless steel tubing kit to install an 4 cylinder direct port nitrous system

**80045** 3/16 Stainless steel tubing kit to install an 4 cylinder direct port nitrous system, includes red and blue B-nuts and sleeves
