

Parts & Accessories

NX has a full range of accessories for your play toys. Check out the part numbers available, from Additives for your fuel tank to any nitrous related accessory, we've got it all!

Switches & Electronics

- 15504P Wide open throttle nitrous control switch w/H.D. 60 Amp relay
- 15505P Dominator throttle switch w/H.D. 60 Amp relay
- 15515P 40 Amp anti-flyback heavy duty relay (w/ wire harness)
- 15526P 40 Amp anti-flyback heavy duty relay (only)
- 15516P Wide open throttle switch only (no relay, bracket or hwdr)
- 15516-3P Wide open throttle switch only (3 Terminal)
- 15517P Universal wot switch bracket (only)
- 15518P Dominator wot switch bracket (only)
- 15704P Toggle W/Safety Guard
- 15705P Power Sports Toggle Switch
- 15706P Nitrous system activation push button only
- 15707P Lighted (red) nitrous system arm switch only
- 15708P Heavy duty fuel pressure safety switch (carb. Fuel pressure)
- 15718P Heavy duty fuel pressure safety switch w/manifold (efi fuel pressure)
- 15835P 2-Dial Progressive Controller
- 15959P NX " Digital Maximizer2" next generation variable output power controller
- 15961P TPS Voltage Sensing Full Throttle Activation Switch (0-4.5 volts)
- 15964P NX "Digi-Set" delay timer
- 18959P NX RPM Activated Window Switch
- FJOKWS0022 NX Mini Progressive Controller

Part # 15964P
Digi-Set Delay Timer

Part # 18959P
RPM Window Switch

Part # 15835P
2-Dial Progressive Cont.

Gauges & Gauge Adapters

- 15506P Nitrous flo-thru manifold (d-4)
- 15507P Nitrous flo-thru manifold (d-6)
- 15508P Nitrous pressure gauge only (0-1500 psi)
- 15509P Nitrous flo-thru pressure gauge (d-4 w/manifold)
- 15510P Nitrous flo-thru pressure gauge (d-6 w/manifold)
- 15511P Gasoline pressure gauge (0-15 psi w/adaptor)
- 15512P Gasoline pressure gauge (0-100 psi w/adaptor)
- 15513P D-4 manifold w/multiple ports for extra accessories
- 15523P D-6 manifold w/multiple ports for extra accessories
- 15519P Master flo-check (checks flowing fuel pressures, gauge incl.)
- 15529P Master flo-check pro (6" certified gauge & molded case)
- 15965P Molded carrying case for Master Flow Check
- 15530P 6" Certified Fuel Pressure Gauge Only
- 15531P Remote Electronic Nitrous Pressure Gauge

Part # 15529P
Master Flo-Check Pro

Part # 15509P
N2O Gauge & Manifold

Solenoid Connectors & Brackets

- 15709P Universal solenoid mount (incl.. screws, specify solenoid)
- 15710P Hitman, Stage 6, & ProPower S.S. solenoid to plate connector (blue)
- 15711P Hitman, Stage 6, & ProPower S.S. solenoid to plate connector (red)
- 15712P Holley. "Gemini twin." Stage 6 & ProPower S.S. solenoid to plate connectors (blue)
- 15713P Holley. "Gemini twin." Stage 6 & ProPower S.S. solenoid to plate connectors (red)
- 15716P Dom. "Gemini twin" stage 6 & ProPower S.S. solenoid to plate connectors (blue)
- 15717P Dom. "Gemini twin" stage 6 & ProPower S.S. solenoid to plate connectors (red)

Nitrous Pumping Stations and Accessories

- 15850P 1/4 Npt nitrous control valve (brass body w/stainless ball)
- 15904P Next generation nitrous pump only(6lbs. Per min. Run dry technology.
- 15905P Nitrous refill pump station (w/stand, lines, and pump) run dry technology.
- 15906P Next generation pump station (with digital scale, & 3 way valve, stand optional)
- 15907P Digital nitrous scale
- 15908P CO2 Conversion for Pump Station
- 15910P Bottle transfer kit (complete w/stand, control valve,& lines)
- 15930P Bottle stand only (gold zinc finish)

Part # 15930P
Bottle Stand

Part # 15908P
CO2 Conversion

Purge Valves and Accessories

- 15600P Nitrous purge valve (w/d-4 manifold, push button, and vent tube)
- 15602P Plumbing kit for dual vent purge system
- 15603P Purge valve for the Lightning and Ice-Man solenoid (solenoid, push button, and vent tube)
- 15604P Dual vent softline for purge kit

Nitrous Filters and Filter Fittings

- 15607P D-4 "Pure-Flo" N2O filter & 7" stainless hose (life time cleanable)
- 15608P 1/4XD-4 nitrous filter fitting
- 15609P 1/4 X d-6 nitrous filter fitting

Fuel Additives

- 16003P Chemical X Nitrous Formula
- 16004P Chemical X Race Formula
- 16005P Chemical X Forced Induction Formula

Part # 15906P
Pump Station w/ Scale
