Switch Panel installation Instructions

1. If switches are not already installed, you can install them by simply clipping them into the panel. The Switch panel also has a notch that the switch will slide into to keep the switch from turning.

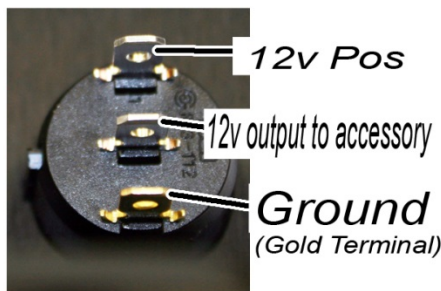

2. To wire the switches follow these diagrams:

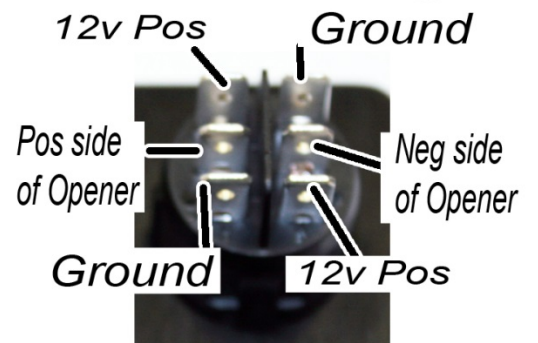

Momentary Switch Wiring

On/Off Switch Wiring

Bottle Opener Switch Wiring

For the Chevrolet pickups/SUV's Installation is very simple.

1. Remove small rubber insert in dash,
2. Install switch panel.
