

NX TERMS & CONDITIONS

LIMITED WARRANTY

Nitrous Express (the warrantor) hereby warrants its product to the original purchaser thereof (the consumer) against any and all defects in workmanship and material under the following terms and conditions: The Limited Warranty is specifically limited to the original purchaser of the products and is enforceable only by such original purchaser. In the event of a defect in workmanship or material of the products, the Warrantor will repair or replace the product, or any defective part or parts thereof, at the election of the Warrantor, without charge to the consumer for such repair or replacement. This Limited Warranty shall not apply to labor charges, freight, material or other incidental expenses in connection with removal and/or replacement of such defective product on the Consumer's vehicle. This Limited Warranty shall extend for a period of ninety (90) days, commencing from the date of the original purchase by the Consumer. The only exception to this limited term is for the NX "Lightning" series solenoids, which have a limited lifetime warranty (does not include electrical components, labor, or freight). The maximum liability of Nitrous Express in connection with this warranty shall not under any circumstances exceed the contract price of the product claimed to be defective.

REFUND POLICY

Qualifying returns for refund will be accepted within 30 days of the original purchase. Qualifying returns will be assessed a 15% processing fee. All returned merchandise must be unused, unaltered and unchanged from its original state and must be in its undamaged original packaging. Any merchandise returned that does not meet this criteria may be subjected to additional fees or refusal. NX cannot accept returns on special order, discontinued and/or non-stocking items.
